

Feeding your Baby

A Guide for the First Year

Feeding Do's & Don'ts

Do!

- Hold and cuddle your baby when breastfeeding or feeding a bottle.
- Smile, talk, and maintain eye contact with your baby at mealtime.
- Make mealtime a relaxed and happy time together.
- Offer a variety of foods including fruits and vegetables at meals and snacks.
- Let baby feed himself, even if it is messy!
- Try foods again if baby "does not like it" at first. It might take 10-15 times!
- Be positive when offering new foods, even if you do not like the food.
- Listen for a "pop" when you open a new jar of baby food. If it doesn't "pop," throw it out.
- Use refrigerated baby food within 3 days.

Don't

- No infant feeders. Do not prop the bottle.
- No cereals, juices or foods in the bottle.
- No baby desserts or mixed dinners.
- No cow's, goat's or soy milk before one year old.
- No fruit drinks, tea, Kool-aid®, Gatorade™, soda pop or coffee
- Do not feed directly from the baby food jar.
- Do not add salt, sugar, butter, or honey to baby's foods.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](http://www.ascr.usda.gov/complaint_filing_cust.html), (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

*(1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary for
Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;
(2) fax: (202) 690-7442; or
(3) email: program.intake@usda.gov.*

Parenting can be hard work! Take care of yourself.
It is easier to enjoy your baby and be a positive,
loving parent when you are feeling good.

Follow Your Heart

Breastfeed
OHIO WIC
Women, Infant & Children

0-6 months

Exclusive breastfeeding recommended.

- Only breastmilk
- Mostly breastmilk with some iron-fortified formula
- Iron-fortified formula
- No juice, water, cereal or food needed
- Ask doctor if extra vitamins or minerals are needed

6-9 months

Baby is ready to eat food.

- Breastfeed or formula feed first
- Use a small dish and feed by spoon only:
 - infant cereal
 - meat
 - fruits
 - vegetables
- Use single item baby foods or mashed table foods
- Try one new food at a time for 3-4 days
- Try food in any order
- Start water in a cup without a lid
- Begin trying finger foods

9-12 months

Continue to breastfeed or formula feed.

- Let baby use open cup for pumped breastmilk, formula, or water
 - Let baby practice using a spoon
 - Try soft table foods in small pieces, such as:
 - cooked vegetables
 - peeled, soft fruit
 - mashed or finely cut meat, chicken, fish, tofu, eggs
 - cheese slices, yogurt
 - toast
 - cottage cheese
- ! DO NOT give hot dogs, peanut butter, nuts, seeds, popcorn, and other small, hard foods that can cause baby to choke.

1 year old

It is normal to continue breastfeeding past one year.

- Wean from bottle
Child has outgrown the bottle
- Start whole milk in a cup
- Give table foods during family meals
- Can offer small amounts of juice in a cup

How do I know

when my baby is ready for new foods?

1. Baby sits with support and has good head and neck control.
2. Baby leans forward with open mouth.
3. Baby can keep most of the food in his mouth and swallow it.
4. Baby can pick up food with his hand.
